

Calendar Year 2008- 5 Friday Months

A Reminder for Parents Who Are Ordered to
Pay Child Support WEEKLY

* February

* May

* August

* October

DOR bills every Friday for weekly child support. If your court order provides for weekly payments, THE AMOUNT DUE FOR THE MONTH IS DETERMINED BY THE NUMBER OF FRIDAYS IN THE MONTH.

For example, if your order is \$100 per week and there are four Fridays in the month, the total monthly amount due is \$400. If there are five Fridays in the month, the total monthly amount due is \$500 - this does not mean you are making an extra payment!
